- C) was waiting
- D) wait

20. They ___ about the project when the boss walked in.

- A) talked
- B) was talking
- C) talk
- D) were talking

Klíč - řešení s vysvětlením

Klíč je na samostatné straně, takže ho můžete rozdat až po vypracování.

1. A) was cooking

At 7 PM yesterday ukazuje na konkrétní okamžik v minulosti, kdy děj právě probíhal → Past Continuous (was/were + V-ing): I was cooking.

2. B) were playing

Hra fotbalu už běžela, když ji přerušila jednorázová událost (začalo pršet) – delší děj je v Past Continuous. Po they jde were.

3. C) was reading

Dva souběžné děje v minulosti (ona četla, bratr se díval na TV) – oba v Past Continuous. Po she jde was.

4. D) was listening

Signál 'at that time' mívá na konkrétní okamžik v minulosti, kdy děj běžel → Past Continuous.

5. A) were walking

Procházka už probíhala, když ji přerušil spatřený jelen – delší děj jde do Past Continuous. Po we jde were.

6. B) were

Otázka na děj probíhající v daném okamžiku: What were you doing...? Po you jde were.

7. C) was sleeping

Spánek běžel ve chvíli, kdy ho přerušil telefonát – delší děj v Past Continuous. Po he jde was.

8. D) were playing

'All afternoon yesterday' zdůrazňuje trvání děje v minulosti → Past Continuous. The children (množné) → were; tvary s was mají chybnou shodu a was played je navíc trpný rod.

9. A) was washing

While spojuje dva souběžné děje (Tom myl auto, žena uklízela) – oba v Past Continuous. Po Tom jde was.

10. B) was doing

Psaní úkolu už probíhalo, když ho přerušilo zhasnutí světel – delší děj jde do Past Continuous. Po I jde was.

11. C) was still crying

At midnight mívá na konkrétní okamžik v minulosti, kdy děj stále běžel → Past Continuous. The baby (jednotné) → was.

12. D) was writing / was talking

Současné běžely dva děje (psala e-mail, kolega telefonoval) → oba Past Continuous; she i colleague jsou jednotné číslo, proto was. Was talked by byl trpný rod a were má chybnou shodu.

13. A) were

Proč se hádali? Otázka na probíhající minulý děj – Why were they arguing? Po they jde were.

14. B) was driving

While + Past Continuous popisuje delší děj (jízda do práce), během něhož se stala kratší událost (potkal jsem ji). Po I jde was.

15. C) wasn't paying

Zápor v Past Continuous = was/were + not + V-ing: dávání pozor mělo probíhat během celé hodiny. Po he jde wasn't; didn't paying není platný tvar (po didn't stojí infinitiv).

16. D) were travelling

'This time last year' odkazuje na konkrétní okamžik v minulosti → Past Continuous. Po we jde were.

17. A) was shining / were singing

Kulisy příběhu se popisují průběhovým časem: the sun (jednotné) was shining, the birds (množné) were singing.

18. B) Was

Tázací tvar v Past Continuous: Was/Were + podmět + V-ing? Po it jde Was (Was it raining...?).

19. C) was waiting

Zatímco jsem čekal na autobus (delší děj, while + Past Continuous), potkala mě kratší událost. Po I jde was; samotné waiting bez pomocného slovesa věta být nemůže.

20. D) were talking

Mluvili o projektu, když je přerušil příchod šéfa – delší děj v Past Continuous. Po they jde were.
